

Civil Process

FEES: Pursuant to Wyo. Stat. Ann. §18-3-608, the department charges \$50.00 (per person) for ALL civil process services.

EVICTION PROCESS: The eviction process can be complex and often requires legal advice. The Sheriff's Deputies are not qualified and are not authorized to answer legal questions. It is suggested that for eviction information you contact an attorney.

WRIT OF EXECUTION: Any execution we receive with a judgment on personal property/vehicle will require the collection agency (or Plaintiff) to make arrangements for moving and storage. This means the Plaintiff will hire a moving van and people to move the property and rent a storage unit. Arrangements also must be made for towing/storage of a vehicle prior to the execution being served. Once arrangements have been made, please coordinate a date and time for service of execution with the Sheriff's office to ensure Deputy availability.
